

Quaternary Ammonium Compound Surface Disinfectant

CITRON SD & F

Surface Disinfectant

CITRON SD is a synergic combination of 1st generation quaternary ammonium and 4th generation quaternary ammonium compound to create a lethal 5th generation quaternary ammonium compound microbicide. It is highly potent surface disinfectant. It is a aldehyde and phosphate free, ph neutral formulation designed to Provide effective cleaning, deodorizing and disinfection in Areas where housekeeping is of prime importance In controlling the hazard of cross contamination on treated Surfaces and controlling foul odors.

Composition:

Each ml Contains : Benzalkonium Chloride
(eq. to. Benzalkonium Chloride Solution IP): 8.19% W/V,
Didecyl dimethyl Ammonium Chloride: 8.7% W/V .

Direction For Use :

Disinfection, cleaning and deodorising pre-cleaned surface, non critical areas (General wards, Reception, OPD, Corridors etc) : 2 ml in 1 litre of water.
Disinfection, cleaning and deodorising critical areas (OT/ICU/NICU/SICU/Burn Unit, Labour Room etc): 4ml in 1 litre water. Laundromat: 100 ml in 50 litres water.
Fogging : 2 ml in 1 litre water for every 1000 cu. ft. in high risk area ICU, ICCU, NICU, Cath Lab, AKD, etc.

Features

- Reduces the cross contamination on treated surface.
- Penetrates microbial cell wall swiftly and effectively binds the cellular protein ensures total lysis .
- Prevents pathogenic mutation and resistance.
- Long lasting residual effect.
- Efficient broad spectrum activity in high risk conditions.
- It effectively removes dirt, grime, blood, urine, faecal matter and other common soils.
- Does not leave a grit or soap scum.
- It is a chemically balanced disinfectant that provides clear use solution even in the presence of hard water.
- This product inhibits bacterial growth on moist surfaces and deodorizes it by killing.
- Micro organisms that cause offensive odors

Precaution

- For external use only.
- Corrosive do not get in eyes, skin or clothing.
- Flush eyes with cold water in case of contact with eyes.
- Wear personal protective gears before handling.
- Wash thoroughly with soap and water after handling.
- Keep out of the reach of children.

Storage Condition :

Store in dry place. Protect from light and heat.

FOR EXTERNAL USE ONLY
